

Bucaramanga January 9th 1971

As Ernesto's sister, I am sending this short note to wish you lots of happiness not only during these days but all through this year. This card is also to tell you bad news; My brother died on December 9th, 1970. The death of our dear Ernesto* has filled our eyes with tears and our hearts with sorrow, but we are sure he is now with He** who is "the way and the truth and the life".-- Sure he would have been very happy to hear from you because I know he always thought very much of all his friends, therefore I am sending this card with my best regards.

God bless you.

Alcira Pinto Jimenez.

* Puedes poner "Ernesto" o en Inglés "Ernest"

** Ese "He" lo debes poner en mayúscula porque se refiere a Dios.
